HPEP Payment for Year 1	-50,056
Current Quasi Endowment Balance	8,123,719

Stipend Distribution by Semester

Academic Year	Summer	Fall	Spring
Year 1	NA	25,028	25,028
Year 2	NA	NA	NA
Year 3	NA	NA	NA
Year 4	NA	NA	NA

USU DVM Projected Tuition Schedule

Tuition	FY26-27	FY27-28	FY28-29	FY29-30
Resident* (Years 1-3, 9 month)	27,658	28,764	29,915	31,111
Non-Resident** (Years 1-3, 9 month)	52,686	53,789	54,943	56,139
Resident* (Year 4, 12 month)			44,872	46,667
Non-Resident** (Year 4, 12 month)			69,900	71,695

*Resident tuition is projected to increase by approximately 4% annually. Tuition rates are reviewed each year and remain subject to approval and change.

****Non-Resident tuition will be adjusted annually to maintain a consistent tuition differential relative to resident tuition.**

Thank you for your continued partnership and support of veterinary medical education. Please let us know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Keri Shoemaker", with a large, stylized flourish extending to the right.

Keri Shoemaker, Financial Officer
